

Remark

All of the below citation examples stem from chapters 7 and 8 of the fourth edition of the ISO 690 (see INTERNATIONAL ORGANIZATION FOR STANDARDIZATION 2021, ch. 7–8).

They are used here to demonstrate some outputs of the implementation of the

ISO 690:2021 Biblatex Bibliography Style.

At the current point in time (July 2, 2025) this style is considered to be an already functional, but still error-prone and incomplete beta version.

If you want to learn how to correctly input any of the following examples below into a bib-file, check out the file

biblatex-iso690_2021-examples.bib,

and if you want to see how to embed such a bibliography into a tex-file, look at

biblatex-iso690_2021-examples.tex.

A successfull compilation of these files using Lua_T_EX and Bib_T_EX yields the pdf-file

biblatex-iso690_2021-examples.pdf,

which is the document you are reading at the moment.
